

DANCE MARATHON AT SAN DIEGO STATE UNIVERSITY

2023-2024

CORPORATE PARTNERSHIP OPPORTUNITIES

ABOUT US

Dance Marathon at San Diego State University (DM at SDSU) is a year-long fundraising effort that benefits Rady Children's Hospital, culminating in an 18-hour dance marathon event. In the academic year leading up to the 2023 Dance Marathon main event, nearly 1,000 SDSU students came together to raise \$244,261.23 for the kids and families treated at Rady Children's.

Rady Children's Expansion Underway

Impact of DM at SDSU

Rady Children's is committed to being a safety net for all families. Since the Hospital opened in 1954, a child has never been turned away due to their insurance or their family's ability to pay. Support from corporate partners like you and organizations like Dance Marathon help Rady Children's Hospital keep this commitment.

Rady Children's Hospital is the largest children's hospital on the West Coast and one of the nation's top pediatric health care systems. Rady Children's has been named by U.S. News & World Report to 2023- 2024 Best Children's Hospitals Honor Roll, a distinction awarded to only 10 children's hospitals nationwide. Five Rady Children's specialties are ranked among the top 10 in the nation for the first time ever, and the Hospital maintained its seven-year streak of achieving rankings in all 10 specialties surveyed.

Rady Children's is a non-profit organization that relies on donations to support its mission to restore, sustain and enhance the health and developmental potential of children through excellence in care, education, research and advocacy. It is the only hospital in the San Diego area dedicated exclusively to pediatric healthcare and is the only designated pediatric trauma center in the region. Each year, the expert clinicians and researchers at Rady Children's provide care and answers to more than 281,000 kids.

Why We DANCE?

For kids like these...

EMMA

A combination of peculiar symptoms sent Emma's family to numerous hospitals for answers. With little hope left, Emma's family decided to try Rady Children's. In less than 45 minutes from the time the Children's Hospital Emergency Team (CHET) delivered the Keenes to the CTICU, Emma was put on the critical ECMO machine. Emma's labs revealed something alarming — her tiny body was battling not one, but two viruses, at least one of which was compromising her heart function. She then underwent a procedure to relieve pressure on her heart and spent another week on ECMO, 10 days on a ventilator, and a month at Rady Children's as she recovered. Today, Emma is safe and sound at home. "Emma had such an incredible outcome," marvels Dr. Kaswick. "[It was] definitely one of those cases where everything worked together in the best possible way."

KAELIN

Kaelin, the 2022-2023 DM at SDSU Rady Rockstar, is a vibrant teen who radiates joy and embodies resilience. His journey was defined from birth by a relentless battle against severe eczema, an unyielding adversary that immensely restricted his movement. At its worst, 90% of his skin was ensnared in a relentless cycle of dryness, flakiness, and pus oozing wounds. The pain was unimaginable. However, thanks to the unwavering support and world-class care provided by Dr. Eichenfield and the dedicated team at Rady Children's Hospital, Kaelin's life took a transformative turn. He is now able to spend his time playing his favorite sport, basketball, and because of the amazing team at Rady Children's, Kaelin aspires to become a dermatologist when he grows up to help kids just like him.

Ways to Partner:

Want to help but not sure how?

Main Event Sponsorship

Businesses can choose from different donation levels to support Dance Marathon. For our donors, we offer various levels of exposure and a long list of benefits! Your dollars can be directed to underwriting costs, which allow us to successfully host our 18-hour event, or be made directly to Rady Children's as a donation and will be counted in our final fundraising total.

Pre-Event Sponsorship:

With a monetary donation, your business can be the official sponsor of a pre-event before the 18-hour marathon. There are several event opportunities throughout the academic year that will focus on fundraising and raise awareness for Dance Marathon on campus. These days will serve to gain momentum and excitement as we move towards the big day.

Matching Gifts:

Maximize your impact by matching the funds raised on a fundraising push day or sponsored hour of the main event.

In-Kind Donations:

Along with cash donations, Dance Marathon depends on in-kind donations in order to run an exciting, compelling, and successful event. These gifts range from merchandise and specialized services given as incentives for dancers, to the food and drinks distributed to keep the hundreds of dancers and families energized for 8 hours

Mix & Match:

Part in-kind, part monetary. The total value of your donation will be honored when carrying out sponsor benefits.

PARTNERSHIP TIERS

EVENT OPPORTUNITIES

FALL SPECIAL EVENT

Our fall special event is one of our most popular events that allows us to engage with the community to educate, inspire, fundraise, and make everlasting miracles.

MIRACLE WEEK

During our Miracle Week in October of 2022, over 500 new students joined the fight for local kids. Together, we raised over \$51,367 in just one day.

This week is 5 days of tabling to interact with students and recruit them to join the movement.

MAIN EVENT

In February 2023, nearly 1,000 students attended our 18-hour long main event where we revealed our total raised. Here, our generous donors were able to gain the recognition they deserved through tabling, check presentations, logos on merchandise, etc as we revealed the total raised for the 2022-2023 year.

LET'S MAKE MIRACLES TOGETHER!

Please contact us should you have any questions on partnership opportunities. Your support has the power to move mountains for local kids and families in our community. Thank you for transforming kids' health and changing the future. Please also check out our website to learn more: <https://www.dmatsdsu.org/>
